

INVITATION FOR A FREE WEBSEMINAR:
On Tuesday, January 23, 19:00-19:45 (CET)
DISASTERS, DIFFICULTIES AND SETBACKS
Tumour disease in disguise – it is not always as it seems

Dear colleague,

Nobody is perfect, right? Join us again in 2024 when we continue our popular webinar series on clinical cases that took a detour.

Speaker

Dr Jennifer von Luckner

EBVS Specialist
Dipl. ECVIM-CA

Topic

DISASTERS, DIFFICULTIES AND SETBACKS

Tumour disease in disguise – it is not always as it seems

Another case that encourages us to think twice, this time on a protein-losing nephropathy that wasn't as typical as it seemed. This emphasizes, once again, how important a consistent problem - oriented approach is - an instance of a not-so-rare oncological case disguised as a renal disease.

Time: 19:00 – 19:45 (CET)

Date: Tuesday, January 23, 2024

Register free of charge using the following link:

<https://app.seminarmanagercloud.de/58/kl/bp/5FMX2pzkuUujUJRiDg4pUw>

If you have any questions, feel free to contact us at webseminar_int@laboklin.com.

Once you complete your registration, you will receive a confirmation email containing the webinar link. If you are unable to attend the live session, no need to worry! A recording will be made available to all registered participants afterward.

We are excited to have you join us online!
